INFORMED CONSENT TO CHIROPRACTIC ADJUSTMENTS AND CARE

I hereby request and consent to the performance of chiropractic adjustments and other chiropractic procedures, including various modes of physical therapy and diagnostic x-rays, on me (or the patient named below, for whom I am legally responsible) by the doctor of chiropractic named below and/or other licensed doctors of chiropractic who now or in the future treat me while employed by, working or associated with or serving as back-up for the doctor of chiropractic named below, including those working at the clinic or office listed below or any other office or clinic.

I have had an opportunity to discuss with the doctor of chiropractic named below and/or with other office or clinic personnel the nature and purpose of chiropractic adjustments and other procedures.

I understand and am informed that, as in the practice of medicine, in the practice of chiropractic there are some risks to treatment, including but not limited to fractures, disc injuries, strokes, dislocations, and sprains. I do not expect the doctor to be able to anticipate and explain all risks and complications, and wish to rely on the doctor to exercise judgment during the course of the procedure which the doctor feels at the time, based upon the facts then known, is in my best interests.

I have read, or have had read to me, the above consent. I have also had an opportunity to ask questions about it's content, and by signing below I agree to the above-named procedures. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.

Financial Policy

We would like to take a moment to welcome you to Tulare Chiropractic Clinic and assure you that you will be receiving the very best care available. In order to familiarize you with the financial policies of our office, we would first like to explain how your medical bills would be handled.

It is our policy in this office to maintain your account on a current basis. Charges for treatment are due at the time the service is provided. If this arrangement becomes inconvenient for you, please see our billing representative so that other arrangements can be made for you. These arrangements must be made in writing. Should you suspend or terminate your care and treatment, any outstanding fees for professional services rendered to you will be immediately due and payable.

If you have a primary/secondary insurance carrier who has chiropractic benefits, then we will bill the primary and secondary insurance for you. If the carriers do not pay the bill within the time allowed through the California Health and Safety codes (without a legitimate reason), then the balance will be due from the patient. **Our office does not bill 3rd party insurances.**

I have read and agree to the above.
